This was circulated as a Part II order pp 9-10 of G.

S i r,

In G.O.No. 788 Misc. Education dated 2-5-1927 sanction was accorded to the establishment, for a period of four years from 1st July 1927, of a Higher Elementary Training School for Kanarese women teachers at Hospet and of a hostel, for Hindu students, attached to it. The hostel for Hindu students could not be opened during the first two years as the number of the Hindu students under Training did not justify the opening of a hostel. The Inspectress now reports that the Christian and as well as the Hindu students numbering 12 to 14 require the facilities of a hostel and that both communities can be conveniently accommodated with separate kitchen arrangements in a building selected by her on a rent of Rs.40/- per mensem which amount is considered reasonable by the Public Works Department. The Inspectress further reports that these students are at present staying on temple premises and other places which are neither suitable nor desirable.

2. I support the proposal of the Inspectress and have accordingly the honour to recommend that Government may be pleased

(i) to permit the revival of the hostel during the current year for the benefit of the Hindu and Christian students under training,

(ii) to sanction the payment of rent at an enhanced rate Rs.40/- per mensem.

(iii) to sanction the employment of a part-time matron on a special pay of Rs.15/- per mensem to a member of the staff.

(iv) to permit the incurring of a monthly expenditure of s.25/- on the wages of cook and other menials of the combined ostel until such time as the strength of the hostel exceeds 20, ar

(v) the purchase of utensils and other intial equipment a cost not exceeding Rs.200 in the current year.. (See Para 4 and Page 6)

3. The expenditure (recurring and non-recurring) in he current year can be met from the savings anticipated out of he current years grants under the several units included in 1 D (a) Education- Special - Government Special Schools (ii) raining Schools - Mistresses. In anticipation of the sanction f Government for the above proposals, I am instructing th nspectress to open a hostel to afford immediate relief to the tudents
